

Field Trip Package  
available primarily on weekdays  
throughout the school year. Call  
today to schedule your trip!

*Advantages of packaging:*

- Students are exposed to cultural, earth and life science curriculum that is correlated with the Virginia Standards of Learning.
- Optimizes the time that can be spent at each location, maximizing the students' learning potential.
- Inexpensive meals and lodging option compared to traditional overnight trips.

*The ACWM has guided tours as well as self guided exploration of the exhibits.*

## Three field trips in one package!

*For additional information  
or to book your trip, you may  
contact any of the three sites:*
