

## 2019 Camp Loud and Clear For Deaf and Hard-of-Hearing Children and Teens

Camp Loud and Clear is a Virginia Cooperative Extension program in partnership with Longwood University's Speech, Hearing, and Learning Services, Holiday Lake 4-H Educational Center, and a team of dedicated volunteers and professionals. No other summer camp in Virginia is staffed or equipped to accept children with hearing loss regardless of their communication means. Although children with hearing loss may attend school, they often encounter difficulties in social interaction due to their inability to hear and speak fully. This camp will offer deaf/HH children an environment with staff and programming to augment healthy, satisfying social experiences. Audio equipment provided by VA Dept. of the Deaf and Hard of Hearing.
