#### CAMP LOUD & CLEAR

Dear Camper and Family,

Thank you for your interest in Camp Loud and Clear. This year's program will look a little different due to ongoing pandemic-related restrictions. For 2021, Camp Loud and Clear will be a day camp program held on Saturday, July 31, 2021 at Holiday Lake 4-H Educational Center in Appomattox County, Virginia (directions may be found at <a href="https://www.holidaylake4h.com">www.holidaylake4h.com</a>). Camp Loud and Clear is a combined effort of Virginia Cooperative Extension, Holiday Lake 4-H Educational Center, Longwood University, and a team of dedicated volunteers and professionals. Camp Loud and Clear is for children and youth whose **primary disability is deafness or hearing loss.** Activities include swimming, archery, nature studies, hiking, and more set in the rolling terrain of Central Virginia.

Participants may be verbal or sign to communicate. This year's day camp program is for youth ages 9 –18. The cost of the camp is \$45 and includes meals and a camp t-shirt.

The adults chaperoning the program are familiar with deafness/hearing loss. Most are enrolled in the Speech Language Pathology graduate program at Longwood University or are recent graduates working in the field.

The camp classes will be taught by the 4-H staff all of whom are certified instructors. Interpreters will be present at all times. There is an EMT on staff to handle medication administration and any first aid needs.

Participants should arrive at Holiday Lake 4-H Center at 9:30 a.m. After checking-in, parents are invited to attend a resource fair featuring agencies and organizations that support deaf/hh families. The opening assembly for campers will begin at 10:00 a.m. Items to bring are as follows: modest swimsuit and towel, sunscreen, bug spray, any medication needed, and spare batteries for hearing assisted devices, closed toe shows for walking and outdoor sports, and a water bottle. All participants should also bring a mask that they are comfortable wearing outside during group activities. Please do not bring valuables, electronic toys or other devices, tobacco/vape products, weapons of any kind, or food.

For family members of campers, we have enclosed a list of activities available near the 4-H Center. This is a wonderful area to explore! Families that would like to come back and participate in our picnic dinner and campfire program beginning at 4:30 p.m. are welcome to do so! This is a small additional charge per person for dinner.

The camper application and registration forms may be found online this year at www.holidaylake4h.com. Payment instructions are also on the website. If you are unable to register online and need a paper registration form, please contact the 4-H Center at (434)248-5444.

#### CODE OF CONDUCT FOR 4-H PROGRAMS/EVENTS

**Purpose** The purpose of the 4-H program is the positive development of youth. We believe in creating a safe learning environment that encourages the four-fold development of a young person (i.e., Head, Heart, Hands, and Health). We expect all persons involved in 4-H (youth members, parents, teen/adult volunteers) to practice behaviors that foster the total development of youth. Each 4-H member and associated individuals participating in 4-H activities must accept the responsibility of creating a positive image that reflects 4-H ideals. Furthermore, the Virginia 4-H program recognizes that "CHARACTER COUNTS!" All 4-H participants are representatives of the program and should always strive to uphold the following standards: Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship. In seeking uniformity in the conduct expected at 4-H programs/events, the following code of conduct has been developed to provide a clear understanding of expectations. **Participants and parents/guardians must sign this form in order to participate.** 

- 1. For the safety and wellness of all participants, a completed and signed 4-H Health History Report Form is required for participation in 4-H events. In addition, medications and medication forms (for all participants under 18 years old) must be turned in at the registration table upon arrival at the 4-H event (or according to another system outlined in the registration/orientation information).
- 2. Participants should attend and be actively involved in all scheduled activities as part of this 4-H program/event (unless under the supervision of a medical staff person.) Curfew is to be followed as specified in the schedule for overnight events. Failure to be in assigned locations may lead to dismissal from the 4-H event. Some areas are off-limits to participants (ex: swimming pool; bodies of water such as lakes and rivers; challenge course, etc.) unless under appropriate instructor supervision.
- 3. Visitors to a 4-H program/event must check-in with the Extension Agent, Program Director, or other adult in charge of the 4-H program/event upon arrival.
- 4. Participants should remain at a 4-H program/event until the program/event is scheduled to end. Participants may not leave a 4-H program/event without prior permission from Extension Agent, Program Director, or other adult in charge of the 4-H program/event. Participants may only be picked up from a 4-H program/event by the person designated on the 4-H Health History Report Form. Identification may be requested at the time of pickup.
- 5. Participants are expected to follow the directions of 4-H volunteers and paid staff. All 4-H'ers are under the supervision of the Extension Agent, Program Director, or other adult 4-H leader responsible for the 4-H program/event.
- 6. Participants should respect the property of others and be responsible for themselves. Deliberate destruction or removal of facilities or equipment is not permitted. Financial responsibility for any damages caused by deliberate destruction will be assumed by the participant and/or parents/guardians. The same applies to the property and personal items of other participants.
- 7. Participants should treat all others and themselves with respect. Aggressive, abusive, vulgar, or violent language and behavior towards others (ex: fighting, threats, insults, cursing, discrimination, etc.) are not permitted.
- 8. Participants should respect the privacy of others. Girls are not permitted in boys' lodging rooms nor are boys permitted in girls' lodging rooms.
- 9. Participants are expected to dress appropriately based upon the guidelines established by the person in charge of the 4-H program/event. **Only modest swimsuits are allowed. No bikinis.**
- 10. Possession, distribution, or use of fireworks, weapons, knives, or other items that can be used as a weapon are not permitted at 4-H programs/events, except under adult supervision in scheduled instructional activities (ex: shooting education class supervised by a certified instructor, etc.).

- 11. Possession, distribution, or use of alcoholic beverages, illegal drugs, tobacco products, vaping products and unauthorized prescription drugs are not allowed at any 4-H sponsored program/event and must be reported to law enforcement. The Virginia 4-H program reserves the right to conduct a search of a participant's outer clothing, luggage, personal belongings, lodging rooms, and furniture being used by a participant(s) if there is "reasonable suspicion" that the participant has drugs, alcohol, or weapons.
- 12. Animals and pets are not allowed at 4-H programs/events unless needed to accommodate a disability or as part of an organized program, or through specific authorization from Extension Agent, Program Director, or other adult in charge of the 4-H program/event. Animals that are used as part of a 4-H program/event should always be provided with proper care.
- 13.Electronic and mechanical devices (ex: cellular phones, pagers, walkie-talkies, video games, radios, CD players, TV's, laptop computers, etc.) are not allowed at 4-H programs/events unless they are needed as part of an organized 4-H program/event, or with authorization from the Extension Agent, Program Director, or other adult in charge of the 4-H program/event. Without authorization, these items will be confiscated and returned to the participant (or the participants' parents/guardians) at the end of the program/event.

#### Consequences

Unacceptable behavior during a 4-H program/event (as defined within this **Virginia 4-H Standardized Code of Conduct** or through a review process by 4-H staff/volunteer) will result in consequences to the participant. Consequences may include:
