FLINTLOCK BUILDING WORKSHOP

HOLIDAY LAKE 4-H EDUCATIONAL CENTER

MARCH 3-8, 2024

SPECIAL INFORMATION

- Small class size for better instructor to student ratio. Limited to 3 new participants per workshop
- Firearms will be assembled and capable of firing at the beginning of the class. The student will be instructed on shaping, rasping, sanding, carving and staining the stock and filing and buffing of the metal parts.
- Intense and time consuming workshop, but worth it in the end!
- Rustic but comfortable bunk style lodging. Linens not provided.
- A information packet (including health form and directions) will be sent to you.
- Because of the variety and the slow supply chain, rifle kits choices are first come, first serve.

ABOUT THE INSTRUCTOR

Jimmy Blanks, after retiring from the Department of Game and Inland Fisheries as a Game Warden he resides in south central Virginia at the foothills of the Blue Ridge Mountains. He now spends his time building black powder firearms, developing wildlife habitat on his farm, maintaining a large vegetable garden and reading history.
