

Fortify & Read: This is a fun activity to help wind down for the night. With theaters and other such attractions being closed or restricted, we are going to try to bring the experience home to you but with a twist! The idea here is to build a fort in any room in your home. Your fort can be as extravagant or simple as you please. Great resources to build your fort are bed sheets, dining room chairs, living room furniture, blankets, and pillows to name a few. After your fort has been built, grab a good book to read to or with your camper. Once the book is done, make sure to have your camper help you clean up and put everything back where it belongs.

<u>Musical Alphabet:</u> You will need 26 pieces of paper, each with a letter of the alphabet on. This is a fun way to keep up with what your camper has learned. This game is a twist on the classic musical chairs. Set your alphabet around the room on the floor then play some of your camper's favorite music, have them move around, dance, jig, jive, whatever the music makes them feel. Then, stop the music and call out a letter, the camper is then to find the letter and stand on it. If you would like to add an extra objective, have the camper name a word that starts with the letter.

<u>Community Building:</u> Draw pictures or write a letter to people in your community that you are thankful for. This could be your parents, your teacher, local EMS, Doctors, Nurses, Post Office, Delivery Person, the list is endless. Send to that person, spread the love.

<u>Bear Hunt:</u> Have an adult hide a teddy bear (or two!) somewhere in the house or yard. Try to find your bear as fast as you can! Ask your adult to keep hiding the bear until you think you've found it as fast as you can!
