

# NATURE COLOUR/COLOR SCAVENGER WHEEL

# COLOUR/COLOR SCAVENGER WHEEL

Kids LOVE scavenger hunts, and for a fairly simple concept, they achieve a lot. As your child runs around collecting all the different natural items on the colour wheel, they're getting exercise, exploring their surroundings and connecting with nature.

## You'll need:

- Nature colour/color wheel (both versions are in this pack)
- A4 paper or card
- Scissors
- 12 wooden pegs

## Instructions:

1. Print your colour wheels on thick A4 paper or glue your printed paper onto some recycled cardboard.
2. Cut out your color/color wheel.
3. Add the pegs to the bottom of your child's shirt. Kids love this!
4. Time to go outside with your child and explore the natural world.
5. Ask your child to add a peg to the wheel each time they find a colour in nature. See if they can add pegs around the whole wheel.
6. If your child loves this colour wheel, they'll adore our nature sensory scavenger wheels too!

## Eco tips:

- Print your scavenger wheel on sustainably sourced or 100% recycled paper.
- Please do not laminate your scavenger wheel.
- If you no longer need your scavenger wheel, please put it in your compost bin or give it to someone else.
