

Ice Cream in a Bag

Recipe can be doubled if needed

You will need:

- 1 pint Heavy Whipping Cream (2 cups)
- 1 tbsp powdered sugar or other preferred sweetener
- 1 tsp vanilla extract
- 2-3 tbsp pureed fruit or cocoa (optional)
- gallon size zip-top bag
- quart size zip-top bag
- 1/2 cup of rock salt
- 6-8 cups of ice

Steps:

- Gather ingredients.
- Wash hands.
- Measure the heavy whipping cream, sugar, vanilla, and flavorings and pour into quart size bag.
- Seal (double check) and shake well to mix ingredients.
- Inside the gallon size bag pour ice and salt.
- Put the zipped quart size bag inside the gallon size bag and zip (double check)
- Take turns shaking for 15 minutes or so or until desired texture is reached.
- Enjoy at ice cream social tonight!
